HR Solutions

Providing answers to employment issues
for small businesses

HR Solutions is an affordable, efficient and accessible solution to managing employees. Why not leave the stress of understanding employment law to us – it will allow you to get on with building your business knowing we are there to answer any queries and provide expert help and advice whenever it is needed.

Here are the Key Benefits

- Unlimited telephone based support – speak directly to one of our consultants.
- Regular e-newsletters containing a wide range of relevant and up to date information.
- Access to template letters, information sheets and proformas via our website
- A free policy health check to ensure that your policies and contracts are fit for purpose and up to date.
- Updates as they needed to reflect legislative changes , ensuring that your business always remains compliant with employment law
- Discounted consultancy rates should you need additional support
- No long term contracts.

For businesses with less than 10 employees:

- **£6.00 per month per employee**

For businesses employing between 10 and 20 employees:

- **£60.00 per month**

For businesses employing more than 20 employees, we will discuss the specific support required by the business and provide a quotation that is designed to meet individual business needs
